#Hetero30

Celebrating **three decades** of inclusive pharmaceutical excellence.

Hetero At A Glance

With unparalleled strengths in pharmaceutical research, manufacturing, and marketing, we are strongly positioned to serve people regardless of geographies.

35

world-class oncology products

38

state-of-the-art API & FDF manufacturing facilities (majority of them approved by USFDA, EU, TGA, and more...)

400+ APIs

550+ FDFs

2000+

product registrations with local regulatory authorities

Asia's largest

API manufacturing complex (Visakhapatnam, Andhra Pradesh)

We are amongst the largest producers of Active Pharmaceutical Ingredients (APIs) in the world.

Our facilities are approved by the top pharma regulatory bodies of the world like USFDA, EMEA and MHRA.

We cater to 40% of existing global demand for Anti-Retroviral (ARV) APIs and Finished Dosage Forms (FDFs) used in HIV/AIDS treatment.

We are the trusted partner of choice to multinational pharma giants and global procurement bodies.
